Hello St. Joseph school community and welcome back!

Your Catholic School council is excited to announce the return of our hot lunch programs beginning the week of September 19th.

When are the Hot Lunch Days at St. Joseph?

- **Mondays** brought to you by The Lunch Lady is starting on September 19. You can sign-up for this program by going to thelunchlady.ca. This program offers lunches in regular and little lunch sizes. Orders and payments are managed online
- **Wednesdays** brought to you by Mr. Greek is starting September 21. This program offers delicious Greek food options (includes vegetarian options).
- **Fridays** brought to you by Pizza Nova is starting September 30. This program brings your child(ren) delicious cheese pizza slices, served hot and fresh!

See attached order forms and flyers for more details about the programs.

Why sign up for any of the lunch programs?

Our lunch programs bring a delicious hot meal to your child(ren) saving you much needed time in the mornings when getting the kids ready for school. In addition, funds raised through our lunch programs go towards purchases for the school. Some of the items we were able to purchase for the school last year were:

- Gym equipment
- Audio visual equipment
- On-site performances and presentations for the students to enhance their learning

Can you spare some time on Fridays? We need volunteers!

Parents interested in volunteering their time on one or more Fridays throughout the year to assist with the pizza lunch program are asked to contact sjrhschoolcouncil@gmail.com as soon as possible. Any time you can volunteer is greatly appreciated. To help us, you would need to come to the school on Fridays at 11:10 to help distribute the meals. The total time required would be about 50 minutes, often less. Please consider helping out, even if only a day or two, every little bit of help is much appreciated.

Got any questions about our lunch programs?

Please feel free to contact your Catholic School Council directly at sjrhschoolcouncil@gmail.com with any questions you have about any of our programs.

We're excited to be able to bring these convenient hot lunch programs back to the school and look forward to an exciting school year.
